To Our Readers:

If you are in need of legally correct and scale township or village plat maps, these are on file at the County Engineer's Office, Map Department, in the Guernsey County Courthouse, Cambridge, Ohio 43725. (740) 432-5261

The maps in the plat book are not intended to be used as correct legal documents. For example, the village boundaries and streets are not drawn to scale. Only village streets which are in use are shown. There are often other "dedicated" streets and alleys which are undeveloped - these are not shown.
