## THE HALLMARK WATCH

is the best watch value on the market.

From the 15 jewel in filled case at \$14 to the 21 jewel precision adjusted in solid gold at \$125 you get more for your money than you could otherwise get.

Hallmark is the trade mark of a co-operative company owned by the leading jewelers of the United States.

The purpose is to produce everything in the jewelry line at a lower cost and furnish the customers better quality for less money.

We are the "Hallmark" representatives in Cambridge and would be pleased to demonstrate the above facts to you.
