

Correction Request!

This directory has been published as a county ownership reference guide. The data contained herein has been compiled from official city, state, and county public records. Constant property sales and transfers make it impossible for us to guarantee 100% accuracy; errors and omissions are inevitable. If you should notice an error in the Index of Owners or on a map, we would appreciate it if you would mail the correction to us on the coupon provided.

We convey our sincere thanks to our county officials for their participation. Your county plat directory has been made possible with their cooperation and support.
