The corner of this plot is  
on part of...

## PLAT OF EATON PLACE CAMBRIDGE, O

Karl M. Cosgrove  
Civil Engineer  
Cambridge, O

Scale 1" = 50'

April 1917

Monuments: Concrete Monuments are located at points "A" and "B". The right line "AB" being N 5° 12' W 175'.  
Bearings: The Bearings are Magnetic. By considering the line AB N 5° 12' W 175' as a base, all other lines and points may be located exactly.

Note: Dotted line is 48' from E. of National Road into 200' in depth measure from Alley S 8° 12' E 200' to fence which is 20' from E. of National Road. All lots sold subject to legal highway.

Transferred Aug. 18/13.  
H. D. Swartz, Auditor  
Filed Aug. 18, 1913 at 4:15 P.M.  
Plotted Sept. 10, 1913
